Lecture phase outcomes/objective achievement and method of delivery

Please describe how well you did or did not achieve the lecture phase objectives and outcomes as outlined in your submitted Course Registration. Also describe any proposed improvements or revision for the future. CORONAVIRUS EXCEPTIONS: If you used online communication and/or learning tools for lectures, worship, intercession, etc due to COVID-19 restrictions that were imposed in your nation, please describe details of that and how well your course objectives were achieved through those methods.

Intended Students

Describe how well the students who did your course represent the Intended Student description included in your Course Registration.

Lecture Phase Student Evaluation

Describe the method of student evaluation you used in the lecture phase and how you determined each student's grade, including the weight given to each element.

Outreach Phase Outcome/Objective Achievement

Please describe how you feel you achieved the objectives/outcomes as outlined in your submitted Form A. Include any proposed improvements or revision for the future

Student Evaluation

Describe your method of student evaluation and how you determined each student's grade, including the weight given to each element

Feedback received from students about the outreach phase

Please summarize the feedback you received from students about the outreach phase, especially areas where you can improve the school (ministry opportunities, support and guidance from school staff, etc).

Typical Weekly Schedule

Give the breakdown of teaching/learning hours in a typical week (usually 50 or more hours per week), showing how much time is spent on essential activities including lectures, small group, frequency of individual one-on-one staff/student interaction and feedback, intercession, worship, field work, etc A guideline of a minimum of three hours of intercessory prayer per week has been adopted by the U of N

Outreach Ministry Activities	Instruction to Students (class time)	Student Evaluation/Tests	Staff/Student feedback (one-on-one)	Ministry to Students
Intercessory Prayer	Personal Devotion Times	Worship	Small groups	Practical work duties
Workshop/Laboratory	Research Projects/Book Reports	Assignments/Individual Study	Outreach Preparation	Other
